IN LOVING MEMORY OF

# ALTON HERBERT MJORUD

Age 72 of Plymouth, Minnesota.

Survived by wife Karen,  
daughters, Kara Johnson (Mark), Gina Rosauer (Bernard),  
grandchildren: Mallory, Alex, Johanna, Aaron, August, Ingrid,  
Gunnar & Greta; brother, Douglas Mjorud of Tacoma, WA.

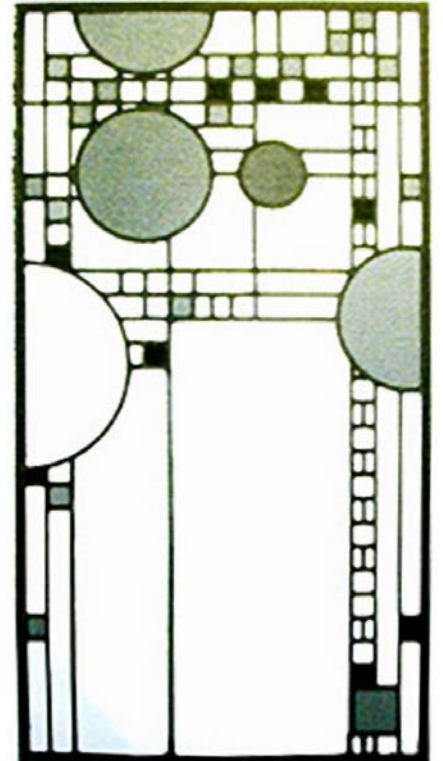

Al Mjorud, St. Olaf College Grad. U of M Class of 1958. Architect (AIA CID, NCARB). Architecture has been my life and after completing the required six month stint in the US Army in 1959, I attended the University of Minnesota and at the same time started working for several smaller architectural firms. Later I had ownership of two firms, the last one established in 1988 as MJORUD ARCHITECTURE, today specializing in Municipal Architecture.

At my home church, Calvary Lutheran Church of Golden Valley, a congregation of eight thousand souls, I served in many of the leadership positions including Congregational President and most recently as Board President of Calvary Center Apartments, a HUD funded project.

In early April of 2005, I was diagnosed with pancreatic cancer with a 3% chance of living five years, but now this percentage is down to 2% in the same time period. Near the end of April 2005, I had Whipple surgery at the Mayo Clinic, but then rejected chemotherapy and radiation in favor of claiming spiritual healing. Now I'm eating correct foods given by the Father-see Genesis 1:29.

Our Father in Heaven sent us the most precious gift of His son, Jesus, to earth to suffer here on our behalf and then to be crucified on a cross. After His death he rose to be back with His Father in Heaven. I am so thankful for this most precious gift of Jesus and now by just confessing our sins to Jesus, He takes them all away. All we have to do is believe on Him and we will all have eternal life with Him.

May I wish all of you love, peace, good health and eternal life with Jesus.
