

IN LOVING MEMORY OF

Patricia Elspeth Board (Davies) "Grandma Pat"

Age 94, was Born December 10, 1916 in Minneapolis, MN to George and Florence (McKay) Davies. She died early Sunday morning, August 28, 2011 at Sunrise Assisted Living in Minnetonka, MN.

Pat loved life, her family, traveling, working, and volunteering. She worked with the Minnetonka School District for over 20 years as Administrative Assistant for school administrators at the District and building levels. She enjoyed volunteering at Methodist Hospital as President of the Auxiliary, and teaching Sunday School to children at First Baptist Church of Minneapolis where she was a long time member. She enjoyed summer travels with husband Chuck and children to many Parks around the country and eventually enjoying the Eagle Lake property in northern Minnesota. She leaves behind the legacy of hard-work, long lasting friendships, her spunky spirit, positive attitude, never passing up a bridge game (excelled at 3NT), and her willingness to serve others. Because of her strong commitment to her Lord, she served Him well, walked in confidence on this earth, had no fear of death, had a strong clear mind that was purpose driven, and she followed Him wholeheartedly. At 7:37 a.m. (8-28-11) the day belonged to mom as the earthly barriers were broken and God's Glory was revealed. So as her time came to an end, her legacy lives on with all of us. We say to mom, "We **Love** you, will **Miss** you till **WE MEET AGAIN.**"
