

IN LOVING MEMORY OF

Norma B. Levang

Age 92, Of Brooklyn Center, Minnesota. Born on February 20, 1916 in Minneapolis, Minnesota and passed away on February 20, 2008 in Minneapolis, Minnesota. She was a school teacher, homemaker and pastor's wife.

Norma was welcomed into heaven on her birthday for she put her trust in Christ Jesus, who being God from all eternity, came and lived a sinless life, then paid the penalty of her sin by dying on a cross and rising again. Like Norma, all who turn from their sins and trust on Christ's finished work for salvation will be welcomed into heaven when they pass away.
