~ BIOGRAPHY ~

Hartley was first a family man and worked as a painter and paperhanger. He is a WWII army veteran serving in Europe, North Africa and the Aleutian Islands. Hartley dearly loved his sons, his daughter in laws, grand children and great grand children. He never missed being with his family and always said, "I love you with all my heart and then some." He loved to play golf (with Vince, Bob, Daryl and Whitey) and enjoyed landscape painting in the off season. He lived at the Wayberry apartments in Chaska and loved his extended family there very much.
